

Snow White – Audition Side #2 for Snow White

SW is the primary character. Wherever another name is noted after the slash (i.e. Stepma), they are SW playing as that character.

SW/Stepma Living? Snow White living. Impossible I ate her lungs and liver.Unless I've been tricked. Lied to. If the girl is still alive. I shall find her and finish her off once and for all...But how? I know, I'll pretend to be an ugly old peasant woman. She'll never recognise me then. Boy! Quickly, quickly bring me something to wear. Some of your wife's old rags.

4/Servant Here you are Ma'am.

SW/Stepma *(Sniffs a coat that stinks and tentatively puts it on)* This is disgusting. It stinks. *(gleefully)* Young man. Won't you have pity on a poor old woman.

4/Servant Yes your majesty. Where is she?

SW/Stepma It's me you idiot.

4/Servant Of course it's you Ma'am, I recognise you, but where is the poor old woman? Is she waiting outside

SW/Stepma It's me. I'm in disguise as a poor old woman.

4/Servant Of course you are. I see that now.

SW/Stepma Look, I've never been poor or ugly, you are obviously both.

4/Servant Thank you Ma'am.

SW/Stepma So do something.

4/Servant Certainly Ma'am. Anything in particular.

SW/Stepma Yes you fool. Make me look like a poor peasant woman and be quick about it.

4/Servant Of course Ma'am. ***(he rub stinking mud from his shoes onto her face, mimes ripping the sleeves of the coat, kicks her in the shin goes to fetch basket of laces)*** here you are, oh wait. ***(pokes her in the eye and holds up mirror)***

SW/Stepma ***(she looks in a mirror and is initially appalled at what she sees)***
Do people actually look like this. I look truly awful.....It's perfect. I am clever. I am very clever. Darling Snow White, I'm coming to find you, ready or not. Bring my coach and horses!
